

EA, EAP & AFSCME We're Stronger Together

YES for a Stronger Union!

Our hospital has been moving in a new direction, and we think it's time to stand together with a strong organization to build our strength, and increase our member involvement and satisfaction. By joining with AFSCME EA-EAP, we gain a stronger voice to continue being the best place to work, practice, and deliver quality patient care. With AFSCME EA-EAP, we're stronger together.
