Paid Sick leave should not to be confused with Personal Paid Leave (PL) or Long Term Sick Leave (LTS).

14.2 This benefit only pertains to employees who are not eligible for PL/LTS accrual. Full Time and Regular Part Time employees are Benefited employees and are covered under their PL benefit.

If the costs are projected to be 10% or less, then premiums will be set based on the projected annual increase. The percentage increase will be split between the District and the employees; the employee premium cannot increase more than 10% per year. (E.g. if the costs are projected to increase 8%, the employee premium will increase by 4%. The District is accepting the majority of the increase as 4% of the District's share of costs is considerably higher than the employee premium share.)

ARTICLE 25- Job Vacancies

25.1 All open job positions shall be posted for a minimum of seven (7) calendar days on the website to allow internal applicants to apply. An internal posting will constitute the hiring manager sending out an email to the Department, providing notice of the open position with the job description attached. The hiring manager may choose to post within the Department in additional ways.

25.2 Employees are eligible to submit a job transfer to another Department in the District following their probationary period in their current job. Excludes intradepartmental transfers and employee Status changes, such as Regular Part Time to Full Time, which do not require additional training specific to the service area in which they are working.

25.3 For purposes of job vacancies, it is the intent of the District to promote and hire from within when possible. All candidates meeting the minimum requirements as listed in the job specifications will be equally considered based on the following:

25.6 If the applicant is a current District employee, the hiring manager has the right to review prior two (2) years performance evaluations to identify any rating under 3.0 and any disciplinary actions within the last twelve (12) months. Hiring manager may take these into consideration after discussion with the applicant.

ARTICLE 26- Layoff and Recall

26.1 Layoffs and Recall shall be within Department by Job Title and employee Status.

26.2 The sequence of employees' Status within a Job Title to be laid off shall be as follows:

1. Any employee who volunteers;
2. Temporary employees;
3. Per Diem employees;
4. Short hour and Casual Part Time employees;
5. Regular Part Time and Full Time employees on an equal basis

26.3 Within each Status, Layoffs will be applied within each Job Title in the following manner:

3. Most recent Date of Hire to the District.

26.4 Date of Hire is adjusted for unpaid leaves in excess of thirty (30) days.

- 26.5 Employees remaining on the job shall be able to perform the work without the need of retraining and must be able to work the remaining shifts.
- 26.6 Recall from Layoff shall be in the inverse order of Layoff. Any employee who has volunteered for Layoff shall be entitled to Recall based upon Status.
- 26.7 In the event that an employee is on Layoff status for over twelve (12) months, they shall be terminated.
- 26.8 A Full Time or Regular Part Time employee on Layoff status may elect to leave accrued Long Term Sick hours in their benefit bank for the period of time they remain on the Recall list. Employees may request payment of eligible LTS hours at any time while on Layoff/Recall status.
- 26.9 All employees on Layoff shall notify the Human Resources Department of their status on a weekly basis. In the event that an employee is unable to return to work within seven (7) calendar days from receipt of notice of Recall, they shall be terminated, but in no event (barring emergencies) shall an employee be given more than fifteen (15) calendar days to return to work from the date the notice to return was mailed by the District. Said notice shall be mailed by way of certified mail.
- 26.10 The District will notify the Union at least thirty (30) days prior or as soon as a plan for any Layoffs or Department reorganizations has been approved that will result in a change to an employee's work status.
- 26.11 The parties will meet to discuss the reason for the Layoffs, the planned schedule, and any alternatives such as Voluntary Exit Incentive offerings.
- 26.12 When Layoffs are anticipated, no posted positions and/or anticipated openings in the affected Job Titles will be hired into until those employees have an opportunity to transfer to such position for which they are qualified (requiring only the customary training and orientation provided to newly hired employees.)
- 26.13 Human Resources will review open jobs and expected openings and notify managers/directors not to fill these positions until the Union and Human Resources can meet and confer about possible relocation to said positions. Posted position will be removed from the job posting board until all staff movements have been resolved.
- 26.14 Any employee who transfers to a new position or is Recalled to a vacant position will be given ninety (90) days to demonstrate his or her ability to perform the work. Evaluation of performance during the ninety (90) days will be based on skills, ability and behaviors. If the employee transfers to an open position and does not satisfactorily perform the duties, the employee will be placed on Layoff and will be eligible for any compensation they would otherwise have received.
- 26.15 If in those ninety (90) days the employee does not perform satisfactorily they will be returned to the Recall list.
- 26.16 Bumping Rights: In the event of Layoffs, an employee who has been promoted or transferred into a different Job Title and/or Department shall retain the right to return to the Job Title and/or Department from which they were promoted or transferred. Employees will retain months of service credit in the prior Job Title. If an employee exercises Bumping Rights, said

employee must be qualified and able to perform the job the employee formerly held with a reasonable reorientation and must be able to work existing shifts. The employee must be able to perform the basic competencies within the job description without retraining.

ARTICLE 27- Shift Differential

27.1 In order to incentivize employees to work specific times of the day that can be challenging to schedule, the District offers the following Shift Differentials outlined below. The Shift Differential shall only apply to hours worked.

ARTICLE 28- Grievance, Adjustment and Binding Arbitration/Hearing

28.1 Definition/Protocol: A grievance shall be defined as a dispute concerning the interpretation or application of any express provision of this Agreement. An employee may be represented by the Union at any Step in the procedure. A grievance may apply to any alleged violation of this Agreement or any other written agreement between the Union and District. The District shall notify the Union of any disciplinary suspension or discharge imposed on any bargaining unit employee. Suspension based on lapse of required license, certification or legally required health screen will not be deemed a "disciplinary" suspension for purpose of Union notification. A grievance may be filed by the Union or by an employee.

28.2 In order to be timely, a grievance must be submitted within the time limits set by this Article as measured from the event giving rise to the grievance, or within thirty (30) days of when the grievant knew, or with reasonable inquiry, should have known of the event. Grievances related to suspension or termination must be filed within ten (10) business days from the date of notification to the employee or the Union of the action.

28.3 Grievance Procedure: The grievance procedure is a process that allows employees and/or Union representatives and a Department head or supervisor to address disputes in a formal manner if they are unable to resolve the issue in an informal manner. The steps of the grievance procedure are as follows:

Step One – Informal Discussion: Within ten (10) calendar days of any alleged violation of this Agreement, employees/Union representatives shall discuss their grievance with the Department head or supervisor and Chief Human Resources Officer or designee in an attempt to resolve the dispute in an informal manner.

Step Two – Written Grievance: If the employee or Union representative feels that the dispute was not settled in Step One, they may submit the grievance in writing to the Chief Human Resources Officer or designee with a copy to the department head within ten (10) business days of the Step One discussion. The District shall have ten (10) business days to respond in writing. In order to be valid, a written grievance must state facts upon which the grievance is

based, the provision(s) of this Agreement which have been violated or are in dispute, and the requested remedy.

Step Three – Formal Discussion: If a resolution is not reached at Step 2, the grievance may be presented to the District Chief Executive Officer or designee within ten (10) business days from delivery of the District's written response at Step 2. The District Chief Executive Officer or designee may direct the Department head or supervisor to meet with the employee and the Chief Human Resources Officer or designee to discuss the matter. Human Resources will arrange the meeting no later than ten (10) business days from the date of presentation to the Chief Human Resources Officer or designee. The Chief Human Resources Officer or designee shall forward a written response to the grievance to the Union President within five (5) business days after the Step Three meeting.

Step Four – Board of Adjustment: If the grievance is not settled in Step 3, the grievance may be submitted to an Adjustment Board by delivering written notice to the Chief Human Resources Officer within ten (10) days of delivery of the Step Three written response. The Adjustment Board consists of two District representatives and a representative from each of the currently certified employee associations for a total of four members. The District shall be solely responsible for choosing its representatives and the Union shall be solely responsible for choosing its representatives. The Adjustment Board members are responsible to hear both sides in the dispute and render a decision if the provisions of the Memorandum of Understanding have been met. The representatives do not represent one side of the dispute or another. They are intended to be impartial and hear both sides in the dispute.

Step Five – Arbitration: If the grievance is not resolved in Step 4, either the District or the Union may submit a request to initiate binding arbitration. Individual employees may not submit a request for arbitration or otherwise move a grievance past Step Four. A Union request to submit the matter to arbitration must be filed with the Chief Human Resources Officer within ten (10) business days of completion of Step 4. A District request to submit the matter to arbitration must be submitted to the Union President within ten (10) business days of completion of Step 4. Only the Union or the District (not individual employees) may move a matter to arbitration.

28.4 If the grievance involves general interpretation of the contract and is submitted by the Union, the grievance automatically advances to Step 3. If the grievance involves a suspension or termination, the grievance automatically advances to Step 4. Grievances alleging unlawful harassment, discrimination or retaliation by an individual supervisor or department head may be submitted directly to the Chief Human Resources Officer or designee and do not need to be copied to the relevant supervisor or Department head.

28.5 Arbitration Procedure (Step 5):

28.5.1 The Chief Human Resources Officer or designee and a Union representative will promptly meet to attempt to mutually select an Arbitrator. If they cannot agree, either the District or the Union may ask the Federal Mediation and Conciliation Service to submit seven names of arbitrators. The Union and the Chief Human Resources Officer or designee shall meet within five (5) business days after receiving the list of arbitrators to alternately strike names until only one person remains. The first strike shall be determined by coin toss.

- 28.5.2 The arbitrator should convene an arbitration hearing as soon as practicable. Each party to the dispute shall have the opportunity to present evidence, to cross-examine witnesses, and to submit written briefing following the hearing.
- 28.5.3 The expenses of the arbitration, including the arbitrator's fees, the cost of a reporter and arbitrator's transcript copy, and other expenses incidental to the arbitration shall be shared equally by the Union and the District; except, however, each party shall bear the total cost of preparation and presentation of its own case and witnesses including, but not limited to, any transcripts requested by a party.
- 28.5.4 The arbitrator shall be empowered to determine all factual controversies and all questions of interpretation and application of any clause of this Agreement that may be relevant to the arbitration. The arbitrator shall not have authority to add to, subtract from or change any provision of this Agreement or District policy in any way. Jurisdiction shall extend to claims of violation of specific written provisions of the Agreement. The arbitrator may not award back wages to the grievant beyond thirty (30) days prior to the date of filing of the grievance, unless the grievant did not know, or could not have reasonably known of the event, that caused the grievance.
- 28.5.5 The arbitrator may award reinstatement only or reinstatement with full or partial back pay in all disciplinary disputes (demotion, suspension or discharge matters).
- 28.5.6 The arbitrator's decision shall be final and binding upon both parties, except upon formal hearing review by the District Board of Directors.
- 28.5.7 The arbitrator's findings or conclusions regarding either party's compliance with federal, state or local law shall be limited solely to the arbitration and shall not stop any party from litigating or establishing its compliance with such laws in any other forum.
- 28.5.8 The District Board of Directors may review the decision of the arbitrator and hold a further formal hearing review upon motion to do so. A motion to hold a further formal hearing shall be made and decided within fourteen (14) days of the District's or Union's receipt of the arbitrator's decision; if there is no successful motion to hold a further formal hearing, the arbitrator's decision shall become final and binding upon all parties.
- 28.5.9 If the District Board of Directors decides to hold a further formal hearing, it shall do so with at least fourteen (14) days' notice to each party. The hearing review shall consist of a review of the written transcript and exhibits from the arbitration hearing and formal argument presented by the District's representative and the Union's representative. The Board of Directors may also consider evidence or testimony that was excluded by the arbitrator; each party shall be allowed to make, and to respond to, requests for introduction of such evidence or testimony.
- 28.5.10 The District Board of Directors' decision shall be final and binding upon both parties.
- 28.5.11 The District Board of Directors' findings or conclusions regarding either party's compliance with federal, state or local law shall be limited solely to the formal hearing and shall not estop any party from litigating or establishing its compliance with such laws in any other forum.

28.6 District Grievances: District grievances shall be submitted at the Step 3 level, in writing, directly to the Union President or designee, who shall arrange a meeting with the Chief Human Resources Officer or designee no later than ten (10) business days from the date of presentation. The Union President or designee shall forward a written response to the grievance to the Chief Human Resources Officer within five (5) business days after the meeting. If no resolution is reached in this Step 3 process, the District may submit the matter to Step 5 binding arbitration by written notice to the Union President within five (5) days of delivery of the Step Three written response.

28.7 Grievances Concerning Strikes or Lockouts: If the District's or the Union's grievance involves alleged violation of the parties' No Strike/No Lockout agreement, the party claiming to be aggrieved may choose among the Grievance and Arbitration Procedure, Public Employment Relations Board (PERB) proceedings or judicial proceedings, as it deems appropriate and proper and consistent with any body's jurisdiction, and may proceed immediately to Step 5 if that option is chosen.

28.8 Time Limits: Time limits may be waived only with the mutual written agreement of the parties. Unless waived or modified by express written agreement, the time limits contained herein shall be strictly construed. No grievance shall be subject to arbitration unless all time limits have been met. If a party fails to respond, or to respond in a timely fashion, the other party may move the grievance to the next Step. If a party has responded and the other party fails to give timely written notice of intention to move the grievance to the next Step, the grievance will be deemed to have been resolved on the basis of the party's last response. The failure to insist upon strict compliance with these time limits and requirements in one or more grievance(s) shall not affect the right to do so in any other grievance.

28.9 Forms and Documents: Necessary forms or documents to be utilized under this procedure shall be adopted by the parties.

ARTICLE 29- Discipline and Discharge

29.1 Employees may be disciplined or discharged, for just cause, for infractions not consistent with District policy and procedures and/or professional conduct according to the process described in this Article.

29.2 During the initial probationary period, employees may be disciplined or discharged at the District's discretion without recourse to the grievance procedure or just cause standard.

29.3 The parties agree that any discipline or discharge following the initial probationary period shall be subject to the standards and grievance procedures expressly provided under this Agreement.

29.4 Managers may provide coaching in a values-supportive discussion regarding behaviors and shall not be considered discipline. Coaching is intended to provide an informal method for direct interaction for addressing perceived issues, and is not subject to the Grievance Procedure.

29.4.1 Coaching may be used to substantiate a disciplinary action for up to one (1) year. If there is a demonstrated pattern of behavior, the coaching may be kept for up to two (2) years.

29.4.2 Written documentation may be created to identify the behaviors discussed. This documentation regarding Coaching may be kept in the manager's files, but will not be retained in the employee's personnel file kept in Human Resources.

29.5 The District may discipline the employee in any of the following ways. Depending on the nature of the behavior, the District may choose the level of discipline appropriate. All behaviors will be reviewed through the Collaborative Culture of Safety (Just Culture) algorithm prior to any disciplinary action taken.

29.5.1 Written Warning: This is a documented discussion signed by the employee and manager. The documentation is part of the employee's permanent personnel file and may be used in to substantiate a disciplinary action for up to one (1) year. If there is a demonstrated pattern of behavior, the written warning may be kept for up to two (2) years.

29.5.2 Final Written Warning: This is a documented discussion signed by the employee and manager. The documentation is part of the employee's permanent personnel file and may be used to substantiate disciplinary action for up to one (1) year. This is a final opportunity for the employee to correct behaviors. If behaviors continue, termination may result.

29.5.3 Suspension without pay: This is a period of time, not to exceed three (3) Scheduled Shifts or 24 hours, whichever is less, when the employee is removed from the Work Schedule without pay. Documentation is kept in the employee's permanent personnel file and may be used in further disciplinary actions for up to two (2) years.

29.5.4 Termination. Misconduct may be cause for immediate discharge when behaviors are found to be a continued pattern of behavior, reckless behavior, or other behavior supporting just cause for termination.

29.6 The Disciplinary Process is described as follows:

29.6.1 Fact finding interview: This is a non-disciplinary meeting between an employee and manager to obtain information so that the manager may understand the issues and decide if disciplinary action is warranted. A Human Resources representative may also be present.

- a) This meeting should be scheduled as soon as it is determined that a fact finding meeting is needed and will take place within five (5) business days of the request to meet when possible in order to minimize the distress to the employee. The District will make efforts to schedule this meeting during a normal working shift.
- b) The written request to meet will contain the topic the manager wishes to discuss, along with the meeting time and location.
- c) Employees may bring Union representation to this meeting if they choose.

29.6.2 The manager will inform the employee within five (5) business days from the conclusion of the investigation if discipline is appropriate. This time frame may be extended by mutual agreement of both parties.

29.6.2.1 Notification of intent to impose discipline: If the manager decides to impose discipline, documentation provided to the employee shall include copies of any written materials that will be placed in the employee's personnel file reflecting the planned discipline (for example, a copy of the planned written warning), an explanation of the proposed discipline and an explanation of any documents or other evidence leading to the planned discipline. The employee shall be given the

documentation listed above at least seventy-two (72) hours prior to the scheduled Disciplinary Hearing, which will also include the Hearing date, time and location.

29.6.2.2 The employee is afforded the right, either orally or in writing, or both, to respond to the proposed disciplinary decision at the Disciplinary Hearing.

29.6.2.3 The employee may be placed on paid leave from the time of the notification of intent to impose discipline until the time the Disciplinary Hearing is held, but paid leave shall not run for more than one calendar week unless mutually agreed between District and Union.

29.7 An employee has three options upon notification of intent to impose discipline.

29.7.1 The employee may agree to meet at the stated date and time of the Disciplinary Hearing.

29.7.2 The employee may ask to reschedule, upon mutual written agreement of both parties, the stated date and time of the Disciplinary Hearing.

29.7.3 The employee may accept the discipline and decline the Disciplinary Hearing. If an employee chooses to accept the disciplinary action, they are asked to sign the documentation and the signed document is made part of their permanent personnel file.

29.8 The Disciplinary Hearing will include management representatives (usually the employee's manager(s)) and a management representative who was not involved in the fact finding interview. The management representative who was not involved in the fact finding interview will have been trained in the Collaborative Culture of Safety (Just Culture) principles and will provide an impartial view. A Human Resources representative will also be present. Employees may bring Union representation to this meeting if they choose.

29.9 During the Disciplinary Hearing an employee may present a response to the proposed discipline either orally or in writing. The employee may tell his or her side of the story regarding conduct or events leading to the planned discipline. The employee may provide any information that may lead to the District reversing its planned discipline. The employee may specifically address any issues that they believe may affect their reputation, standing, or community associations, or otherwise stigmatize the employee's public image or future employment prospects.

29.10 After the Disciplinary Hearing the manager has five (5) business days to decide to remove the disciplinary action, reduce the proposed action or uphold the proposed discipline. The manager will notify the employee of their disciplinary decision at this time.

29.11 Disciplinary Process Timeline:

Event	Timeline	Parties Present
Coaching	Prior to Disciplinary Process	Employee and Manager
Fact Finding Interview	Within five (5) business days from request to meet	Employee, Manager(s), Human Resources, Union Representative(s) (at employee request)

Notification of Intent to Impose Discipline	Within five (5) business days from Fact Finding Interview	Employee and Manager
Disciplinary Hearing	At least seventy two hours (72) from Presentation of Planned Discipline	Employee, Manager(s), Human Resources, Union Representative(s) (at employee request), Second manager trained in Collaborative Culture of Safety (Just Culture)
Disciplinary Decision	Within five (5) business days of Disciplinary Hearing	Employee, Manager

29.12 An employee who feels the disciplinary action has been unjustly imposed has the right to the Grievance Procedure as outlined in Article 28.

29.13 Copies of written warnings and documentation of disciplinary action will be placed in the employee's personnel file. Refusal to sign and/or rebuttal by the employee will also be placed in the file. Upon written request from the employee to Human Resources, any written disciplinary documentation older than two (2) years shall be removed from the disciplinary section of the electronic personnel file and will not be viewable to management and thus cannot be used in further disciplinary decisions.

29.14 The District will notify the Union of any unpaid suspensions or terminations imposed under this Article.

ARTICLE 30- Job Descriptions & Policies

30.1 Job descriptions for Classifications within the bargaining unit, including descriptions for new positions or changes to existing job descriptions, maintained by the District shall be made available to the Union upon request. Job descriptions for new positions or changes to existing job descriptions will be provided to two (2) elected Union board members.

30.2 The Union and the District will meet and confer as requested to evaluate new or revised job descriptions.

30.3 The District will provide written notice of any range change to a higher range off cycle due to recruitment or retention issues.

ARTICLE 31- Jury Duty

31.1 The District encourages its employees called for Jury Duty to serve. Only in cases of extreme scheduling problems will the District request that an employee be excused from Jury Duty.

31.2 If summoned for Jury Duty, the employee shall present the summons to their supervisor or Department head the first work day following the receipt.

31.3 If an employee is summoned to Jury service, they will be paid for the hours scheduled to work that day or previously scheduled on Personal Paid Leave. In the event the employee is

released from the summons with four or more hours remaining on their regularly Scheduled Shift, or prior to noon if the employee works an evening or night shift, the employee shall telephone their Department head to inquire as to whether the Department head wishes him/her to report to work.

31.4 When an employee receives a Jury Duty check for witness fees, they must endorse it over to the District and present it to the Payroll Department.

31.5 Employees will be compensated for Jury service only on days that they have been scheduled to work or scheduled for Personal Paid Leave.

31.6 At no time will Jury Duty pay result in overtime payment.

ARTICLE 32-Time Off Requests

32.1 Management approval for all time off requests is based on District/staffing needs, however, every effort will be made to accommodate employees' requests.

32.2 Annual Time Off Requests: In order to allow employees to schedule time off in advance and allow the District to anticipate coverage needs, time off will be requested on an annual basis following the below procedures:

32.2.1. Employees shall submit time off requests in writing no later than February 1st of each year.

32.2.2. The form for such purposes will be provided by the District and will cover the period of April 1st to March 31st.

32.2.3. Employees are required to request time off in order of priority, beginning with their first choice. Based on the number of requests for a specific time period, approval may be limited to two (2) weeks.

32.2.4. Requests received during this time will be considered based on seniority within Job Title in a Department. Job Titles with tiered employees will be considered the same Job Title for the purpose of time off requests. For example, Patient Access Rep I and Patient Access Rep II will be considered the same Job Title when approving time off requests.

32.2.5. Department managers will review all requests and approve or disapprove an employee's first choice for time off as available. If an employee's first choice is unavailable, then the manager will select the next available choice from the employee's list. Department managers will continue to review and grant time off until all requests have been approved or disapproved.

32.2.6. The Department manager shall respond no later than March 1st, approving or disapproving the request. On March 1st, a list indicating approved time off requests shall be posted in the Department.

32.3 Time off requests outside of the Annual Time Off Request Period: Employees may also request time off outside of the Annual Time Off Request Period. Time off requests received after February 1st will be considered on a first received basis.

33.3.1. If employees need time off once a schedule has been posted, they must attempt to trade shifts with another employee. If a shift trade is not possible, employees must make arrangements with their manager in advance of the date.

33.3.2. If an employee has a need to miss part of their shift (for example, to go to an appointment), they must also get this approved in advance of the schedule being posted. If this is not possible, the employee must make arrangements with their manager prior to the date of the appointment and use Personal Paid Leave for the portion of the shift that is missed.

32.4 Management does not have the right to cancel approved time off, provided the employee has sufficient Personal Paid Leave available.

32.5 Management must respond to a request within thirty (30) days of receipt. Management's failure to meet the deadline does not result in automatic approval of a time off request.

ARTICLE 33- Probationary Period

33.1 All employees serve an initial probationary period upon hire with the District. During the initial probationary period an employee may be discharged for any reason.

33.2 Full Time and Regular Part Time employees shall serve a probationary period of ninety (90) calendar days. This period can be extended for an additional sixty (60) days with a documented improvement plan.

36.2 Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily waives its right, and agrees that the other shall not be required to negotiate with respect to any subject or matter covered herein during the term of this Memorandum of Understanding; however, this shall not preclude the employees from filing grievances on the subject matter of this Agreement or interpretation thereof.

36.3 Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by the District's Board of Directors and the Union.
